EES International Private Limited

+91 7094044944 www.ees.international info@ees.international, GST: 33AAGCE9622D1ZV

14/47-2, Trichy Road, Chinthamanipudur, Coimbatore, Tamilnadu - 641103. INDIA

Dear Sir/ Madam,

Greetings from EES International Pvt Ltd !!!

We take this opportunity and request your kind consideration to introduce ourselves **EES International Pvt Ltd** as the Trading and Service Provider based in India targeting mainly export of Industrial products to Middle East and African countries .

EES International Pvt Ltd backed by experienced and competent engineering professional team enhances our products and service offerings specialized for our esteemed clients - EPCs and other Traders abroad who are mainly into Oil and Gas Industries, Chemical Industries, Petrochemicals Industries, Sewage Treatment, Power Sectors, Infrastructures, and various other Projects & Industries.

Our Core strength is quick sourcing of all products / materials with our wide global business network of OEMs & suppliers and most importantly we operate with less margins to make our quotation to be highly competitive. This way EES is the most preferred vendor partner for our clients to win project supplies with the excellent pricing support and grow the businesses towards mutual benefits. Technical capabilities ease the necessary support required starting from presales until the complete warranty period.

Please find below the list of Products under our offering but we can also source any other materials comes as a special requirement under your specific project or need,

1. Electrical products

ATEX certified Junction Boxes and Enclosures, Purged and Ex cabinets, Lighting Fixtures, Control elements, Cable Glands, Plugs and Sockets, VFDs, Soft starters, Electrical Motors, LV Switchgears, Capacitor Banks, Electrical Distribution Boards, Cable Ties and Electrical Bulk Materials etc.

2. Instrumentation products

Field Instruments and Gauges, Fire and Gas detectors, Process liquid and Gas analysers, sampling system components, Instrument tubing's and Fittings, HART handheld communicators and instrumentation Tools, Barriers and Isolators, Solenoid Valves, Pressure Switches, Positioners and Limit Switches, PLC and automation spares, Canopies, Tag plates, Fasteners etc

3. Custom Engineered Solutions and Integrated systems

Sampling systems, Local control panels, Interposing Relay cabinets, Solenoid cabinets, Solar powered skids, PLC Panels, DCS Panels, VFD Panels and other bespoke systems

4. Oil Field supplies

Safety Coveralls NOMEX, Gas monitors, Helmets, Face Shields, Masks, Ear Plugs, Safety Glass / Goggles, Hand Gloves, Safety Shoes / Boots, Spill kits, Windsocks, HSE instruments

4. Engineering materials for machining and fabrication.

Rods - Cast Nylon, Teflon, EN8, EN19, SS304, SS316 and Aluminium grades;
Sheets & Plates - Carbon Steel, Stainless Steel, Alloy Steel ; Structural Steel materials (Beams, Channels and Angles); HDPE welding rods, Industrial Filters, Quality Garnets etc.

5. Tools and machineries

Cutting blades, abrasive wheels, polishing wheels, lathe turning tools, castor wheels, bearings, machinery spare parts and consumables.

6. Project Services

- a) Providing Manpower for C&I Projects
- b) ETC Projects : Erection, Testing & Commissioning of C&I and Electrical works
- c) Turnkey Projects : Supply, Erection, Testing and Commissioning of C&I and Electrical Jobs
- d) AMC Projects

We are specialized in sourcing and supply of all materials required for your various projects at very competitive price within the shortest duration in line with your RFQ and client project specification.

Looking forward to your kind consideration and valuable opportunities for us to be your preferred sub vendor for all your material needs.

Kindly contact us anytime for further information on our company and products so we can associate on long term.

Thanks & Regards,

FOR **EES INTERNATIONAL PVT LTD.,**

KANAGASABAPATHY R
EXECUTIVE DIRECTOR - PROJECTS

PARTIAL LIST OF EXECUTED ORDERS

SL.NO.	DESCRIPTION	CLIENT P.O. VALUE IN INR
1	Honeywell HC Gas Detector	₹ 1,24,78,425.00
2	Hazardous & Safe Area Junction Boxes	₹ 1,13,23,700.00
3	Drager PSS 3000 SCBA Set_50 Sets	₹ 64,80,145.00
4	Drager PSS 3000 SCBA Set_33 Sets	₹ 42,77,625.00
5	Exe GRP Terminal Box	₹ 32,65,651.55
6	Eltherm Spares	₹ 22,48,532.20
7	Parker Filters & Element	₹ 17,13,242.15
8	Air Filter Regulator	₹ 16,20,270.00
9	6Inch SS316 Braided Flexible Hose for Underground Shock D	₹ 15,71,922.00
10	Drager Multi Gas Detector	₹ 15,38,160.00
11	Gradex Analyser Spares	₹ 15,33,311.60
12	Tube Calometric Gas Detector	₹ 14,77,470.00

APPRECIATION CERTIFICATE

This certificate is awarded to:

EES INTERNATIONAL PRIVATE LIMITED

In recognition and sincere appreciation of your outstanding commitment, dedication, and exemplary service as our esteemed supplier. Your unwavering support and relentless efforts have greatly contributed to the success and growth of our business.

Your consistent provision of high-quality products/services meant for Qatar O&G clients, timely deliveries, and collaborative approach have significantly enhanced our operations, allowing us to meet the needs and demands of our customers effectively.

We extend our heartfelt gratitude for your professionalism, reliability, and proactive approach in ensuring smooth and seamless transactions. Your partnership has been invaluable, and we look forward to continuing our mutually beneficial relationship for many years to come.

Presented on this day, [Date: February 29, 2024]

ABOUT US/ OUR HERITAGE

EES International Pvt Ltd is an ISO 9001: 2015 Certified Company that incorporated as an Export trading and services company in Coimbatore, India in 2014 with a team of Engineering professionals who got more than 2 decades of experience in oil field & construction materials and services. EES Engineers have, prior to start this company, have ample exposure to sizeable projects for various clients & contractors in India and Gulf countries and they bring an added dimension to our capabilities. EES's strength comes from the technical know-how, rich experience of its personnel and technical ability to work as a team.

With the selection of **EES International Pvt Ltd** as your Trading and service provider, you as our valuable client will enjoy the flexibility and energetic management style of a smaller company with enough technical and personnel resources comparable to that of a much larger company. We assure our prompt services and quality beyond your satisfaction as we are still in the growing stage and this attitude is very crucial for our long lasting journey.

EES International Pvt Ltd offers a wide range of products and services mainly from Instrumentation, electrical, mechanical, Fire Safety disciplines. Our prime interest is to offer value added solutions at very reasonable cost and quick deliveries where we don't see the same level of competition as for standard materials and spare parts.

With our strong logistic partners we have well connected network not just between India and Middle East countries but across entire globe to make sure we deliver any products or services promptly as per your needs. EES is dedicated to providing materials & services of the highest professional quality to its clients. We also provide engineering, design and construction management services to include value analysis, project cost and budget, performance schedule.

EES maintains and would like to maintain a reputation for providing quality services in a business environment of technical complexity, cost and schedule and competitive pressures. We supplement the traditional concept of professionalism with a more formal approach, which requires strict adherence to a Total Quality Management Program. This program is an integral part of our everyday work embodied in the engineering principles and quality assurance procedures under which we operate to ensure that our services are of maximum value to the client.

VISION

- To be the most preferred Trader & Service Provider of our Clients in India, Middle east and across the Globe in terms of Competitive Pricing, Quality & Timely product Offerings, technical competence & Flexible Support, Organised resources/ System, innovation & Applying Dynamic business Approach to be highly resilient.

MISSION

- To become the world's most preferred “one-stop Supplier” of Multiple brands, products, equipments and services so as to add value to all our stakeholders – esteemed clients, principal Manufacturers, Suppliers, EPC Contractors, resellers, traders, Service Providers, our investors and employees in terms of cost savings, revenue + profit acceleration, satisfaction and being proud to associate with EES International

VALUES

- Competitiveness
 - Supplier Network
 - Technical Competency
 - Quality & Support
 - Trust & Credibility
 - Ethics and Compliance
- 

QUALITY POLICY

In line with its vision to “Become a global engineering enterprise providing solutions for a better tomorrow”, EES is committed to deliver best-in-class products and services by:

- Consistently meeting applicable requirements
- Developing and empowering people for continual improvement
- Building a company wide culture of 'Quality First' resulting in customer delight.

Meeting our Commitment :

Quality is the foundation of our company and is fully embedded in our purpose and values. we are involved in and dedicated to achieving high Quality standards for our products and services through the application of the EES Management System for Quality. Fully aligned to ISO standards and verified by independent third party certification bodies.

To sustainably create value and to effectively and efficiently build trust, EES:

1. Guarantees **product safety and full compliance** by respecting our policies, principles and standards with full transparency,
2. Ensures and enhances **preference and consistency** to delight the industries by valuing what they value and by offering products and services that always meet or exceed their expectations,
3. Strives for **zero defects and no waste** by constantly looking for opportunities to apply our continuous improvement approach to deliver competitive advantage,
4. Engages **everybody's commitment** across our complete value chain and at all levels of our organization to build the EES Quality mind-set.

CORE STRENGTH

EES core strength is not only on the product distribution, but also on the ETC Project Services and technical support for the end client on below.

- **Project Services**

1. Providing Manpower for C&I Projects
2. ETC Projects : Erection, Testing & Commissioning of C&I and Electrical works
3. Turnkey Projects : Supply, Erection, Testing and Commissioning of C&I and Electrical Jobs
4. AMC Projects

- **Basic Designing of required system by direct site visits :**

Our team has versatile experience in designing the system based on customer requirements. It can be done by

1. Direct Site survey.
2. Basic CAD drawings.

- **Proposing value engineering to reduce project cost :**

Our Team will do value engineering, by which the cost for implementing a system will reduced without affecting the technical requirements & functions.

- **Support on Precision installations :**

We extend our support to our customer (System Integrators) for precision installations. Our team will reach the installation locations between 24Hrs to 48 Hrs based on location accessibility.

- **Trouble shooting and service support :**

Our 24/7 customer support team will provide trouble shooting through :

1. Phone
2. Online (MS Teams, E-mail)

Customised Engineering Products

**CUSTOMISED
ENGINEERED PRODUCTS**

We recognize the paramount importance of sustaining industrial electrical systems. Our specialized E&I System AMC services ensures uninterrupted operations. From proactive inspections to timely upkeep, we guard your industrial vitality. Trust in us as you navigate automation's intricate landscape. Our team makes sure all the parts, like wires and machines, are working perfectly. It's like having a personal helper that keeps everything safe and in good shape. So, when you turn on lights or use devices, you can trust that your electrical system is well taken care of by us.

E&I System AMC Services

E&I Panel Testing Services

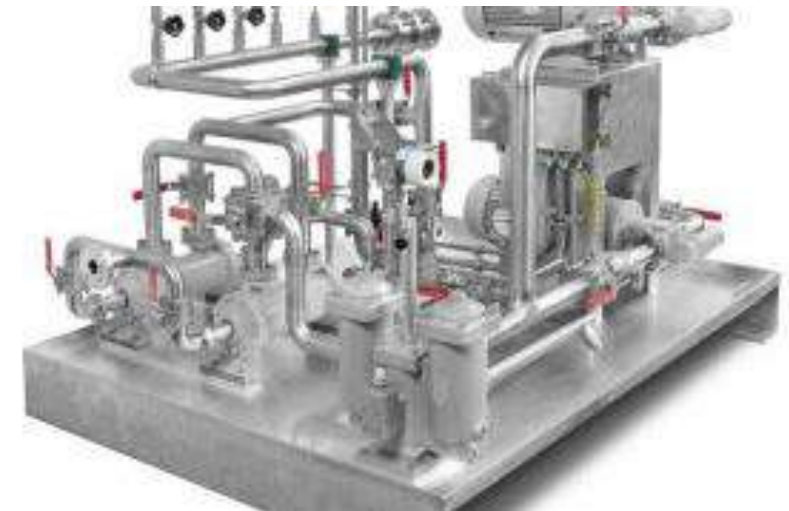

E&I Installation & Commissioning Services

Installation of Process Instruments

Installation of Pipes, Tubes, Valves & Fittings

Supply & Installation of Skid

PRINCIPLE PRODUCTS & SERVICES

- **Electrical :**

- ❑ VFDs and Electrical Drives
- ❑ Motors and Pumps
- ❑ Switch gear Panels & VFD Panels
- ❑ Integrated solutions – Motor Control Centers, ATS panels, Synchronizing panels, Control Panels, Junction Boxes, Feeder Pillars, Auto PF correction panels, Intelligent control panel with GSM modules, SMDBs, Isolators
- ❑ Switchgear Items : MCB, MCCB, RCCB, ELCB, ACB, TIMER, RELAYS, Power Supply Units, Indicators, Selector Switches, Change Over Switches

- **Instrumentation :**

- ❑ Instrumentation Panels : PLC Panel, DCS, Marshalling Cabinets, Local Instrument Racks/ Enclosures, Gauge Panel, Control Panels, Flow Calibration Skid
- ❑ Field & Control Instruments
- ❑ Analysers
- ❑ Instrumentation Cables
- ❑ Tubes, Valves & Fittings
- ❑ ATEX Solutions
- ❑ Fire & Gas Detectors

A photograph of an industrial facility, likely a refinery or chemical plant, at dusk. The scene is illuminated by warm artificial lights from various towers and pipes, contrasting with the cool blue tones of the twilight sky. In the foreground, there are large white storage tanks and a small structure with a blue roof. The background shows more complex piping and distillation columns.

PRINCIPLE PRODUCTS & SERVICES

- **Cable Glands & Bulk Materials**

- ❑ Cable Glands for EX and Non-Ex areas.
- ❑ Bulk materials for Electrical and Instrumentation works like cable lugs, Ties
- ❑ Cable Identification Markers Cable tags Etc

- **Mechanical**

- ❑ Valves and Pipe Fittings, Vibration mesh screens
- ❑ Fabricated covers and sheets, Sunshades/Canopies
- ❑ Enclosures / Supports and stanchions
- ❑ Cast Nylon Rods, Teflon Rods, EN grade Rods, Copper rods and Pipes

- **Abrasive & Cutting Blades**

- ❑ Abrasive materials and cutting blades suitable for Mild steels, Aluminum and stainless steels

- **Fasteners**

- ❑ Certified fasteners, U bolts in standard and customized specifications

- **GRP Solutions**

- ❑ Custom-made canopies for field instruments and field control stations, junction boxes, Customized enclosures

PRINCIPLE PRODUCTS & SERVICES

- **Fire & Safety :**

- ☐ Fire alarm, detectors, Fire extinguishers
- ☐ PPEs handheld Safety meters,
- ☐ hose reels, hydrants, Sprinklers and nozzles,
- ☐ Water monitors, wind socks
- ☐ Deluge skids, Fire suppression & Extinguishing systems, safety signage

- **Engineering, Installation & Commissioning Services**

- ☐ Specialized in E&I , Mechanical project-based solutions. Starting from design, detailed engineering, drawings, documentation, procurement, supply to Installation & Commissioning as per client requirement.
- ☐ Our Process Specialist are experts in Oil & Gas, Power, Refinery, Chemical & Petrochemical Plants, Sugar, Sewage Treatment Plant, Paper, Integrated Steel Plants.
